Scripture passages are from the New English Translation

The introduction and study questions were developed by Michelle Miller and Pang Snta' to be used with an audience of elementary-age children or with new believers who have limited background knowledge of the Scriptures. The goal of the questions is to help people engage with the Bible stories through a discussion format. The questions in this guide may be freely adapted as deemed appropriate for a particular audience.

Lahu Scripture passages are from the Lahu Bible (2008)

Translated to the Lahu language by : Daw Esther
